Incredible Cookies

What does your service provide?

We deliver the most delicious cookies in the world. You can order them like pizza — they come hot and fresh to Boston and surrounding areas from 10 a.m. until 1 a.m. I get e-mails every day saying 'these are the most delicious cookies I've ever had. I'm sending 100 tins to my employees!' We use nothing but the finest ingredients, no corners cut.

How was your company formed?

Boston needed an alternative to sending flowers for gifts and pizza for late night food. I thought, no one's doing anything heartfelt. A friend of mine had wonderful recipes, and I saw the vision.

Who uses your service?

Late night office workers, college students, companies wanting a Friday work break snack, people sending a same-day gift, people who want to pitch a client and parents, who send them to their kids during finals. Everyone loves cookies, and people go out of their way to say thank you — thanks for helping me study, thanks for the client. It's an incredible thing. Generosity doesn't mean you have to spend a lot, it's from the heart.

What's your most popular cookie?

Chocolate chunk and double fudge, I love them all.
